Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the Louisiana State University in St. Baton Rouge, LA in Fiscal Year 2023. The entity to receive such funding is the Louisiana State University, Office of Research & Economic Development, located at 130 David Boyd Hall, Baton Rouge, Louisiana. This funding will be used to purchase and install a coastal high-frequency RADAR instrument network. I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Garret Graves
Member of Congress
